Here is water for you to wash your face.
that you're too close!!
I thought I said...

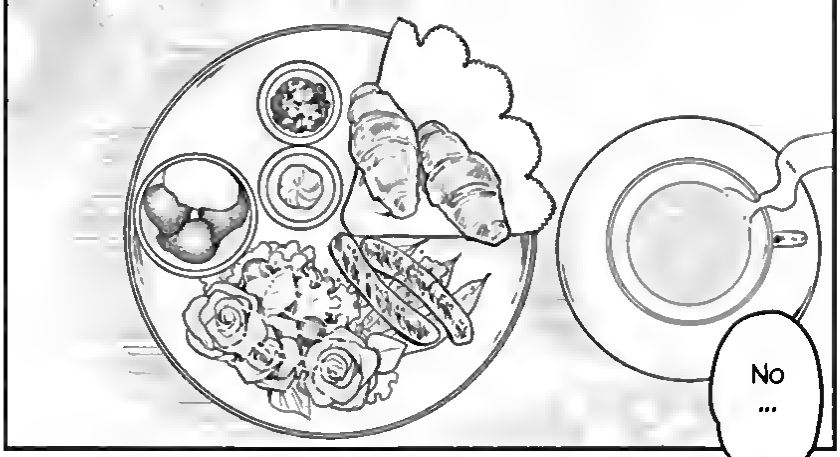
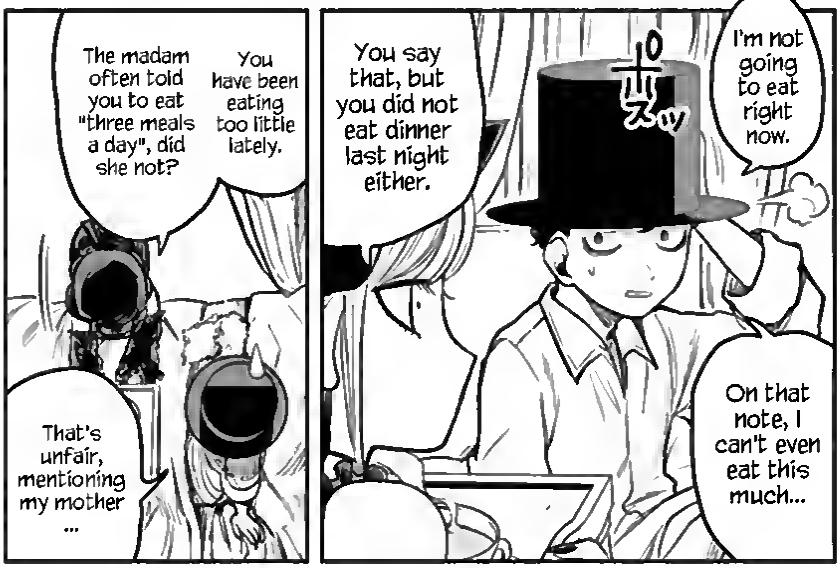
And then, I will-
Here is your breakfast





The madam often told you to eat "three meals a day", did she not?
You have been eating too little lately.
That's unfair, mentioning my mother ...
You say that, but you did not eat dinner last night either.
I'm not going to eat right now.
On that note, I can't even eat this much...

Say "Ahh".
Cute...

I have been waiting all morning to hear those words.
She's totally eager to force me to eat, huh...?

Alice

That's not comforting at all!!
Ah...
There were no irregularities with the colour or shape inside.

Could you please take a look?
Inside my mouth...
Well then, as an apology ...

Okay.
I'll eat on my own.
Just pass me the fork.
You don't have to show me

My Duke ...
STARE
Hm?

But I'm overcoming my trauma bit by bit now.
If you compare this to my days as a kid, back then, eating less was the better course of action.

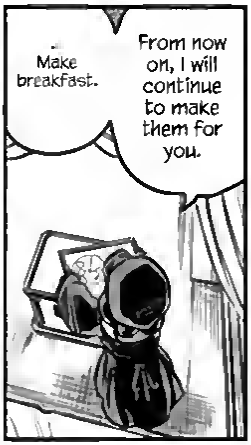
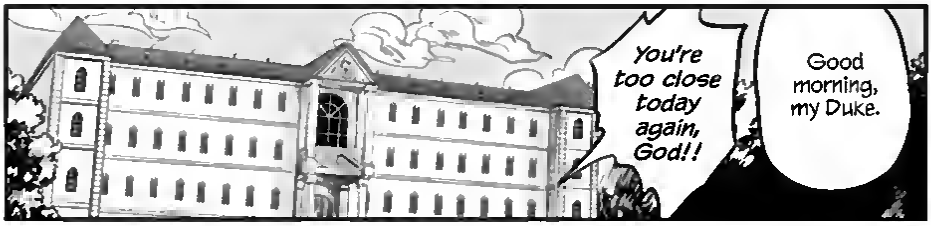
Only for my Duke.

I will take the tableware now.



Make breakfast.
From now on, I will continue to make them for you.

The Next Day



You're too close today again, God!!
